JIMMY CLABBY WINS FROM M'GOORTY ON A FOUL

Dr. Bakes and wife returned Thursday night from a long auto trip, first going to White Mountain, Ariz., and returning about two weeks later by way of Albuquerque, leaving on another trip two days later for Taos, N. M. Dr. Bakes says they had a very pleasant trip and went over some roads an auto has never been over.

THIS TIME LAST YEAR ATHLETICS HAD A CINCH

Pennant Was Conceded and Interest Centered on Fight in National, Which was Close, with Philly Threatening the Lead.

(By Leased Wire to Evening Herald.)
New York, July 4.—With the major league baseball clubs entering upon the second half of their 1914 campaign a comparison with the records for the past two years develops some interesting data regarding the strength and weakness of the teams in the National and American circuits. In the senior organization the New York Giants led their league on July 1st in both 1912 and 1913. Two years ago the McGrawites were making a runaway race of the pennant contest, having won fifty and lost eleven games for an average of .829. Pittsburgh was second with 27 games won and 25 lost, giving the Pirates a percentage of .597. Chicago, with .567, was third, having lost 28 games and won 24. Cincinnati completed the first division with 25 victories and 27 defeats, the Reds' percentage being .525. Philadelphia, Brooklyn, St. Louis and Boston followed in the order named with percentages of .423, .407, .391 and .393, respectively.

Last season's standing showed several marked changes over this order, for while the Giants were showing the way, their lead was of the narrowest margin, for Philadelphia was in second place and Brooklyn following the Quakers closely. In fact but 129 points separated the first four teams against approximately 360 in 1912. The New York club, ultimate winners of the pennant, had a percentage of .621 to Philadelphia's .633. The Giants had won 49 games and lost 23, while the Quakers' score stood 38 games won and 22 lost. Brooklyn, which held sixth place in 1912, was but 78 points behind the second place club, having won 34 games and lost 27. Chicago completed the list of first division teams with a percentage of .517. The one-and-a-half of the league standing was occupied by Pittsburgh, St. Louis, Boston and Cincinnati, with respective percentages of .481, .424, .412 and .379.

Much interest was shown in the fight and a great crowd attended. The contest was scheduled to go twenty rounds.

The bout occurred in the eighth round. The battle was hard-fought from the beginning.

Clabby's work was regarded by the crowd as a remarkable exhibition. Both men fought furiously and mixed it up continuously. McGroarty could accomplish little, however, against his adversary's superior skill. He tried repeatedly to land left hooks but each time was blocked. He was desperate when he committed the foul.

CHICAGO BUSINESS MEN TO CONFER WITH PRESIDENT WILSON

(By Leased Wire to Evening Herald.)

Chicago, July 4.—The committee of Chicago business men selected yesterday to represent this city in the conferences to be held by President Wilson with business men of the country will leave for Washington Tuesday, it was announced today. The committee is headed by Joseph H. Defrees of the Chicago Association of Commerce, which named the delegation.

Mr. Defrees is a former president of the Chicago Bar association. The other delegates are members of some of the largest firms distributing merchandising in this trade territory.

KING GEORGE WILL HONOR CHAMBERLAIN

(By Leased Wire to Evening Herald.)

London, July 4.—It is reported that King George is likely posthumously to honor the late Joseph Chamberlain, who died on Thursday night, by conferring a title on his widow, formerly Mary Endicott, daughter of the late William C. Endicott of Salem, Mass.

In the American league the Philadelphia Athletics were not playing at top speed in 1912 and held second place with the Boston Red Sox showing the way. Chicago was third and Washington fourth. The race was much closer, however, than that in the National organization, for Boston had but 128 points separating the first and fourth teams, the standing being: Boston, won 46, lost 21, percentage .887; Philadelphia, won 38, lost 25, percentage .692; Chicago, won 35, lost 28, percentage .576; Washington, won 35, lost 30, percentage .558. Cleveland, Detroit, New York and St. Louis formed the rear guard in the order named.

Last season the Athletics held a lead of such proportions that the fans were already beginning to consider the pennant to Connie Mack's players. With 48 games won and 17 lost, the Philadelphia club showed a percentage of .728, against Cleveland's .600 for 42 games won and 28 lost. Chicago was again in third place, with 39 victories and 32 defeats, giving the White Sox .549.

Washington, while not going as strong as in 1912, still managed to hold fourth place, thirteen points behind Chicago and five points ahead of Boston, which in one year had dropped from first to fifth place. Detroit, St. Louis and New York brought up the rear, as they did in 1912.

BODIES OF FRANCIS AND CONSORT BURIED

(By Leased Wire to Evening Herald.)

Austria, July 4.—The bodies of the assassinated Archduke Francis Ferdinand and his consort, the Duchess of Hohenberg, arrived here today and were interred before the castle chapel with simple ceremony.

The funeral procession crossed the Danube at Poestling at dawn and the cortège reached the end of its journey at 5 o'clock. The coffins were placed in the chapel of Arzstift castle, where priests and nuns said prayers at the side of the catafalques for several hours.

Two trains arrived from Vienna with members of the imperial family. After the final rites the coffins were carried through lines of army veterans and firemen to the family vaults, and were placed in their final resting place.

STRICT ENFORCEMENT OF THE QUARANTINE ON AT NEW ORLEANS

(By Leased Wire to Evening Herald.)

New Orleans, July 4.—Federal authorities today began the enforcement of quarantine regulations on outgoing vessels as part of the campaign for the eradication of bubonic plague.

Under the personal direction of Surgeon G. M. Corput of the public health service, the fumigation of shipping in the harbor was initiated.

Regulations promulgated by Dr. Corput require fumigation of vessels prior to loading, the placing of 36-inch rat guards on lines and muzzles immediately after docking, and the placing of guards on gangways.

Congregations of the various New Orleans churches will be urged at services tomorrow to assist in the eradication work.
